PRESS COMMUNIQUÉ

Fort St. George, August 17, 1937.

[Dress of Government servants.]

No. 438.—

There is an erroneous impression that the Government have generally restricted by rules the kind of dress to be worn by Government servants while on duty. The Government desire to dispel that impression. In the case of members of certain services, e.g. Police a distinctive dress has been prescribed with a view to distinguishing them from the general public. Other Government servants are not bound by any restrictions in the matter and are at perfect liberty to wear while on duty whatever dress they like provided it is in conformity with the ideas of decency current in society.

PRESS COMMUNIQUÉ.

Dated Fort St. George, the 14th August 1937.

No. 338.—

A number of representations through the Press, through telegrams, through printed appeals and through petitions and deputations have been coming before the Provincial Government with a view to bring to their notice the difficulty felt by the Andhra University Medical Graduates with regard to the recognition of their degrees. It has been admitted that the standard of education imparted in the Vizagapatam Medical College is sufficient and of a standard that would entitle them to be recognized, but the difficulty has been that the Indian Medical Council insist on suitable extensions being made to the hospital and to the college to enable them to grant the necessary recognition. In the first place, the Government desire to make this public announcement that there is no idea of abolishing the Medical College at Vizagapatam now or in the future. Secondly, the fact has to be brought to the notice of the public and of the Medical Graduates that the Andhra Medical Degrees are recognized throughout the Madras Presidency and as such there is no disqualification attached to them in this Province. With regard to the building programme, a scheme has been before the consideration of the Government for some time but on account of the financial implications involved it has not been possible for the Government to launch a scheme of building work without understanding the full commitments that are involved in such a programme. The Surgeon-General has paid a visit to Vizagapatam recently and is preparing a fresh estimate for hospital buildings which will soon be placed before the Government for consideration.

3rd year Rs. 70 per mensem.

Note (1).—The above rates of pay are subject to such alterations as Government may hereafter decide upon.

Note (2).—Annual increments will not be admissible as a matter of course; their grant in whole or in part will depend upon the satisfactory work and conduct of the apprentice during the period of training.

10. Although housing accommodation is not guaranteed, the apprentices will be required to live in Government quarters. Charges on account of house-rent, electricity for lighting and fans, water-tax and conservancy will, in the latter case, not be recovered from the apprentices.

11. Fifteen days' leave on full pay or 30 days' leave on half pay in the year will be granted to an apprentice at the discretion of the Superintendent or other officer in charge of the Factory. Hospital and casual leave with pay for a period not exceeding one month at a time will also be granted for periods of absence authorised by the medical authorities on account of injuries received while on duty, inoculation, or segregation or when the apprentice is sent to a Pasteur Institute for anti-rabic treatment, provided that such leave is authorized by the rules in force for other manual workers employed in the factories.

12. *Bonus.*—A bonus on one month's pay will be credited to each apprentice on completion of each year of satisfactory service, and placed on his behalf in an account in the Post Office Savings Bank or the Imperial Bank of India. The bonus of an apprentice, if withheld, will be credited to Government.

13. Apprentices must abide by any local rules framed by the Superintendent for appointment and training of apprentices.

14. There is no guarantee to employ apprentices on the completion of their courses, though everything possible will be done to find employment for them. Nor will it be obligatory on the apprentices to remain in the factories on the completion of their courses.

STATEMENT OF OBJECTS AND REASONS.

The Bill fixes the salaries and allowances of Ministers, of the Speaker and the Deputy Speaker, of the President and the Deputy President, and of the other members of the Legislative Assembly and the Legislative Council. Power to fix these salaries by Act of the Provincial Legislature is conferred by sub-section (3) of section 51, sub-sections (4) and (5) of section 68 and section 72 of the Government of India Act, 1935. Though the Government of India Act, 1935, does not specifically require that the salaries of Parliamentary Secretaries should be determined by an Act of the Provincial Legislature, it is considered desirable to include in the Bill a provision fixing the salaries and allowances of the Parliamentary Secretaries also. Clauses 2 to 5 and 9 are intended to carry out these objects.

2. It is necessary that Government should have authority to purchase suitable conveyances for the use of the Ministers and the Speaker, subject to such conditions as to their repair and maintenance as may be prescribed by rules made by the Government. Clause 6 of the Bill gives effect to this object. Clause 7 makes it clear that in addition to their salaries, the Ministers, the Speaker, etc., will be entitled to travelling allowances while touring on public business, at the rates prescribed in that behalf by the Government.

3. As salaries are to be paid to Parliamentary Secretaries, they will be disqualified from continuing as members of the Legislature. Clause 8 of the Bill is intended to remove this disqualification as the Provincial Legislature is competent to do under section 69 (1) (a) of the Government of India Act, 1935.

4. A provision has also been included in the Bill to the effect that any person entitled to any salary or allowances under it may relinquish the same in whole or in part (clause 10)

C. RAJAGOPALACHARIAR.
